

billions club

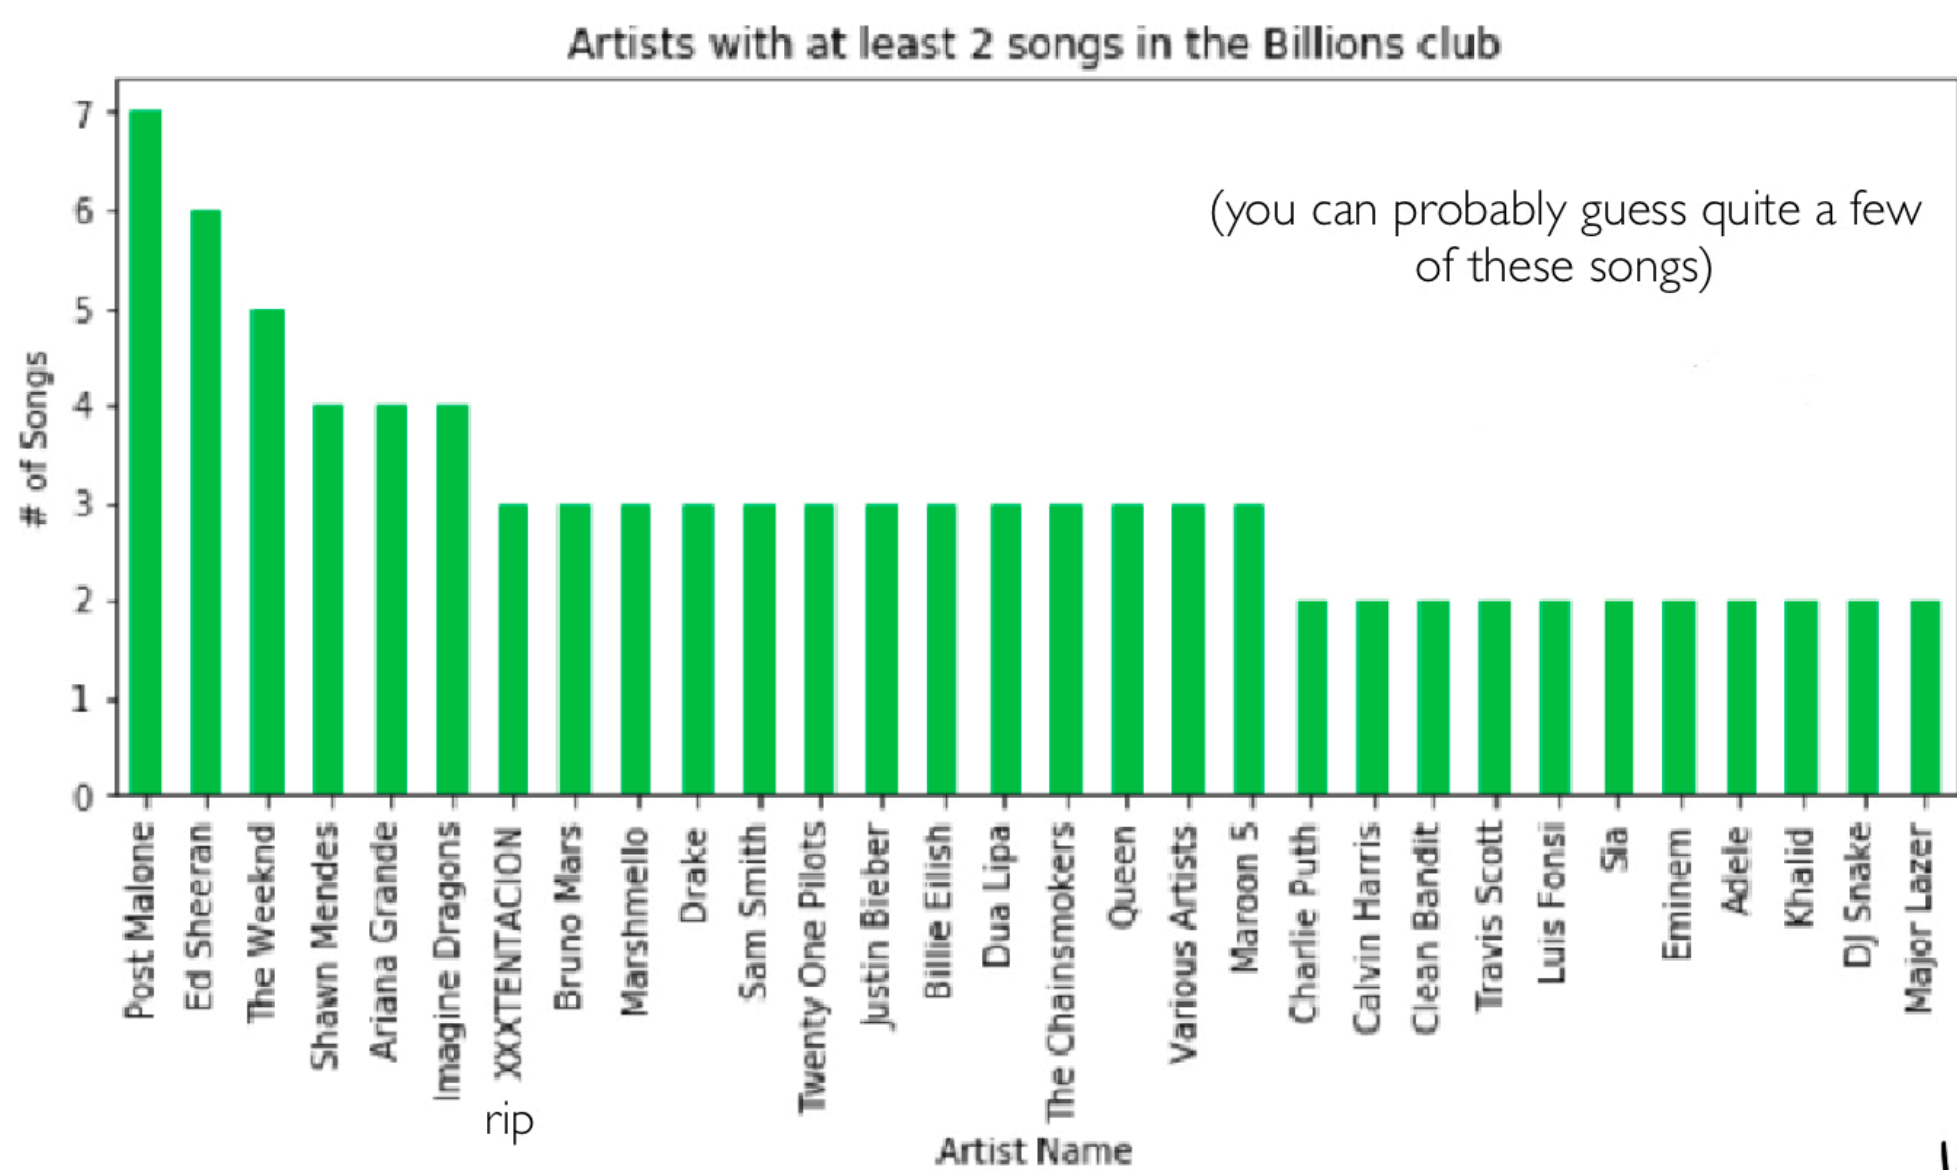

a peek into **songs streamed over a billion times** on spotify (as of july'21)

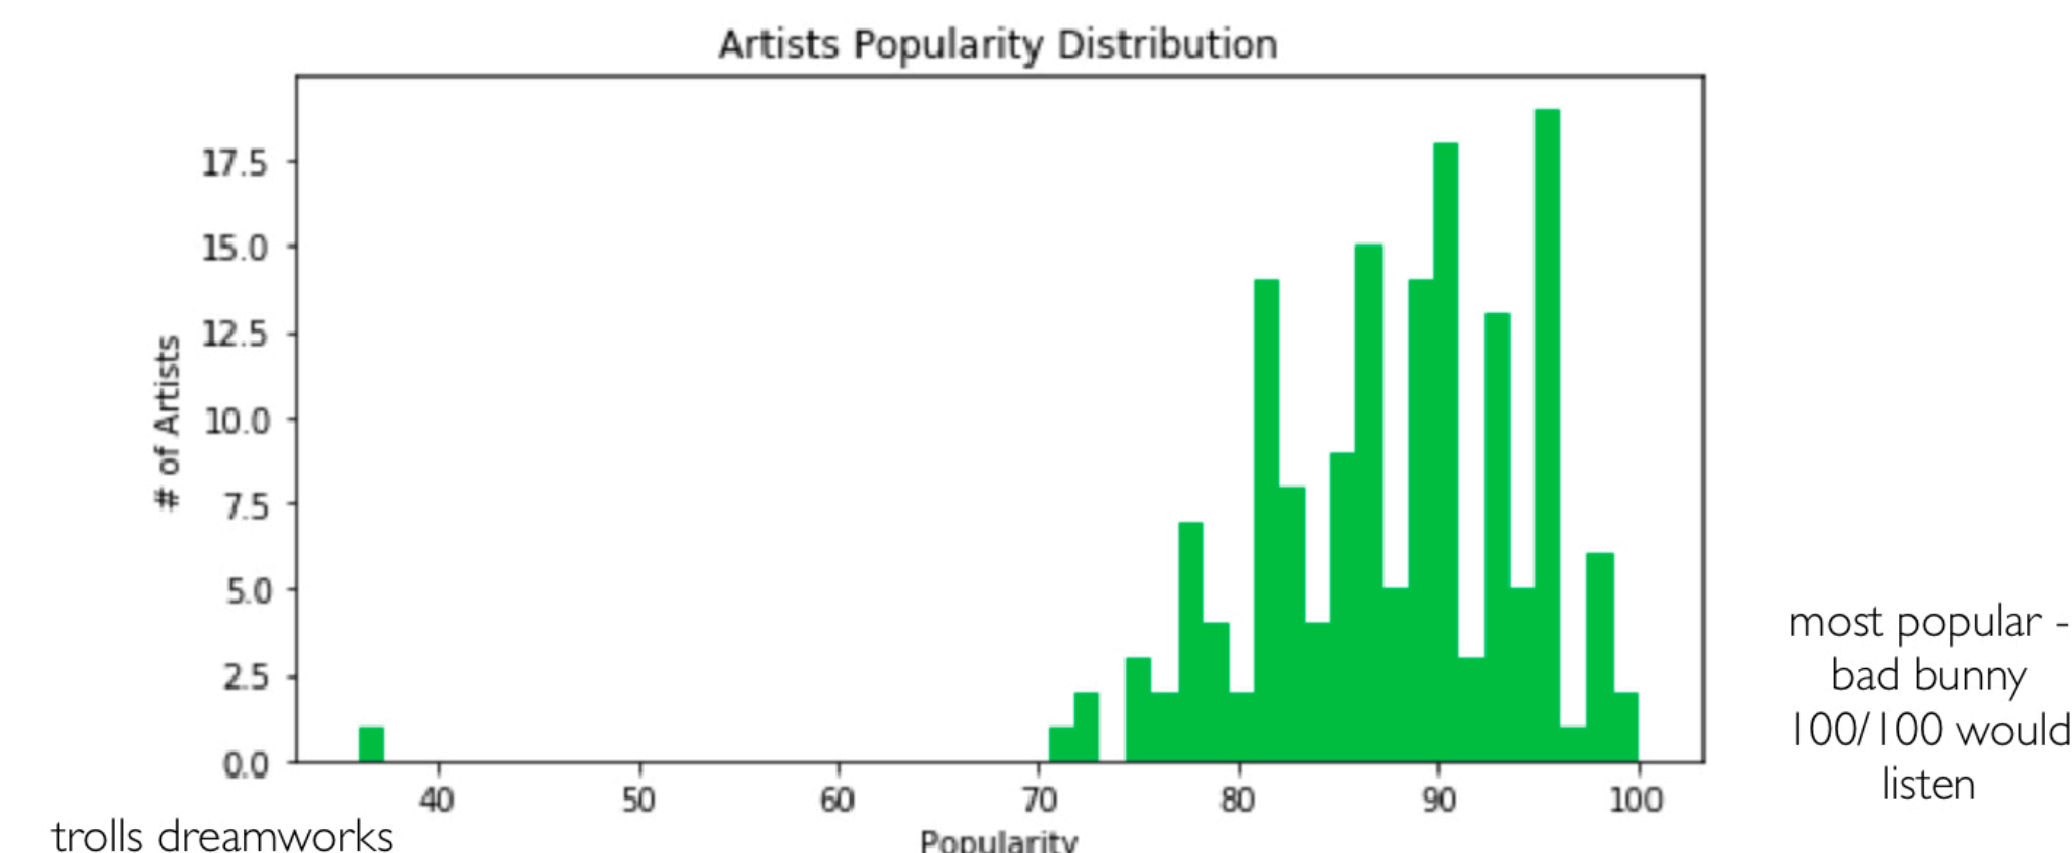

0.0000023% of total songs (70MM)

(as of aug'21 there are 167 songs in the club)

who are the most popular artists

how popular are these artists

incorrectly labeled artists as 'trolls' instead of justin timberlake

what do they play generally

pop

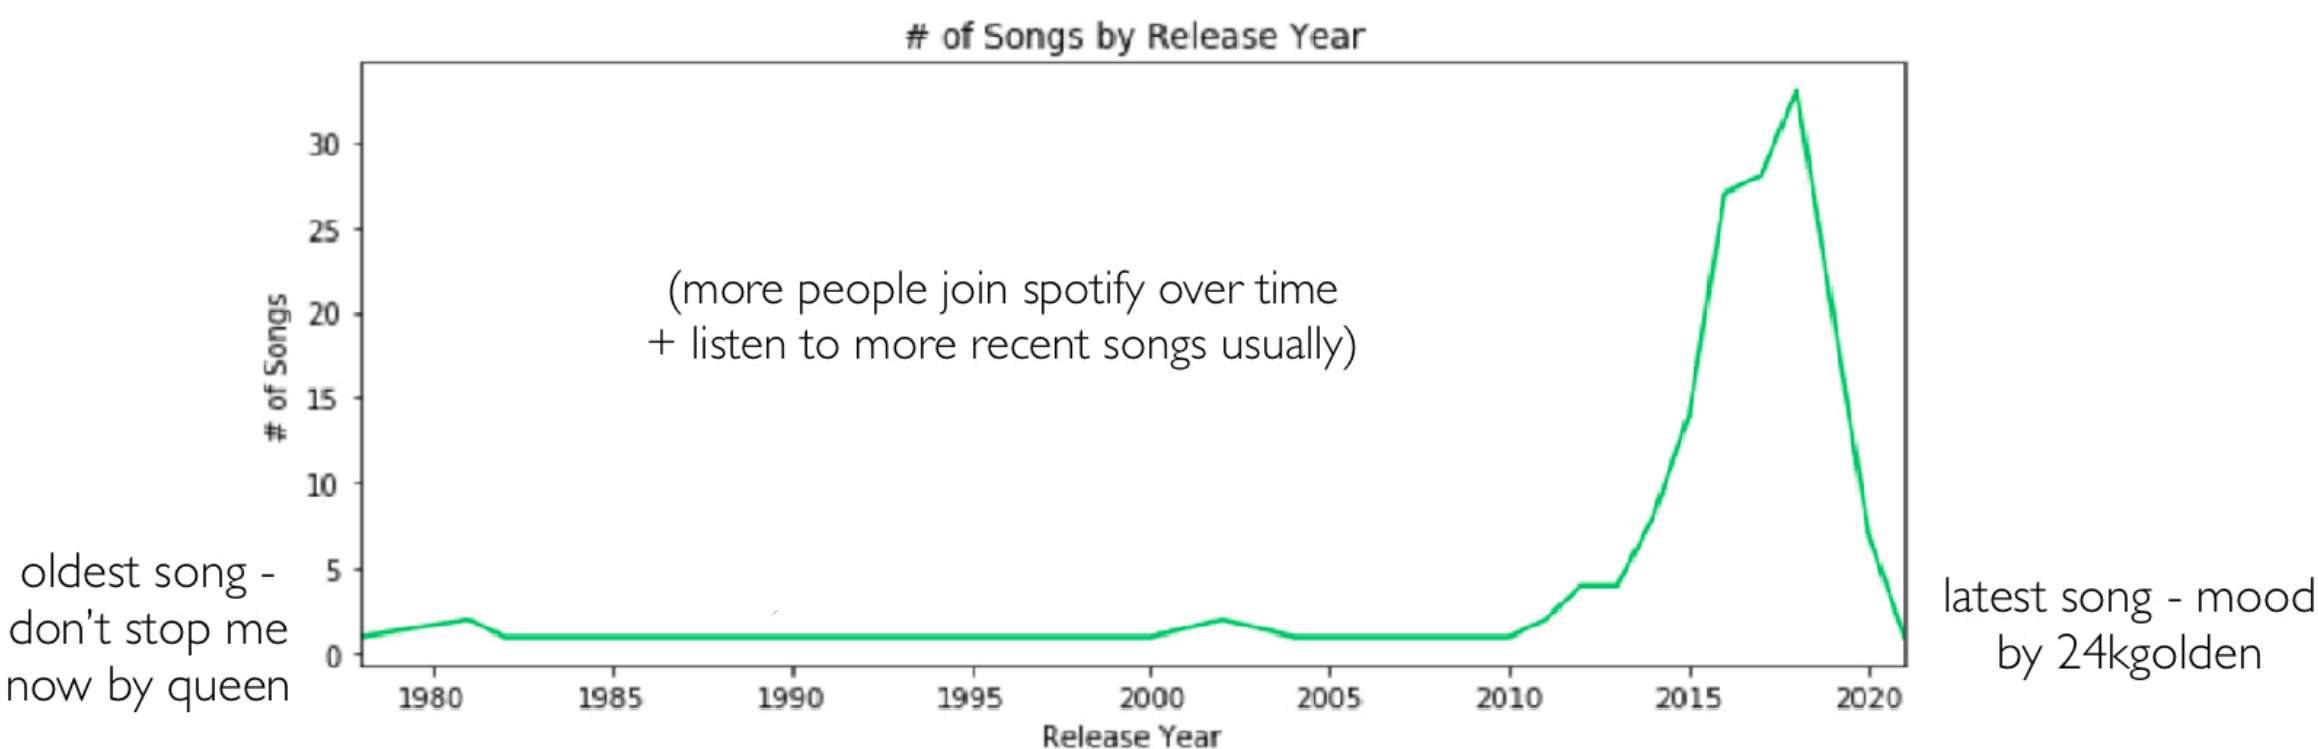

like 7 types of it - dance pop, uk pop, teen pop, pop rap...

rock

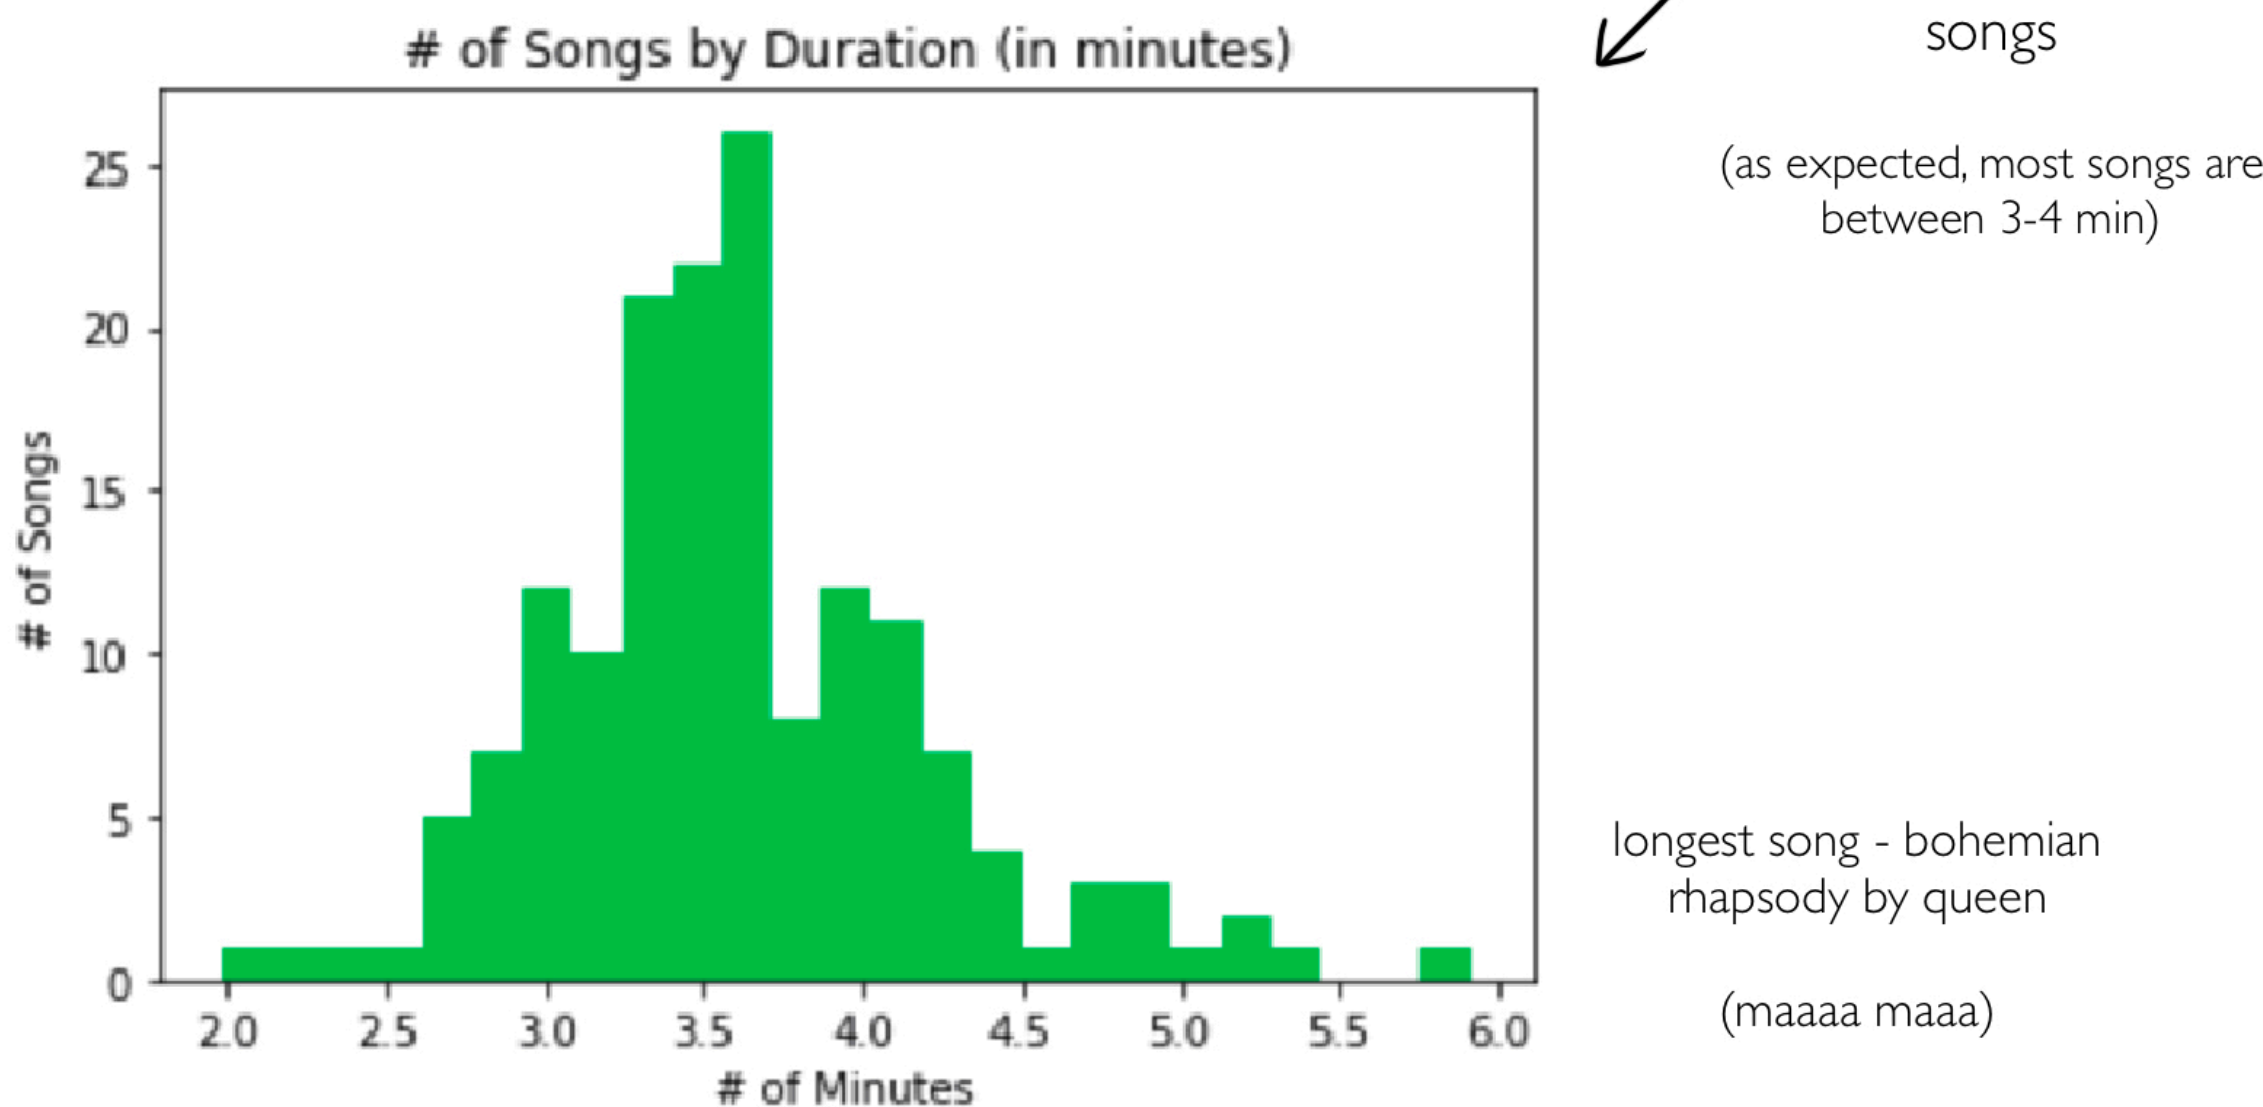

and modern rock

hip hop

how old are these songs

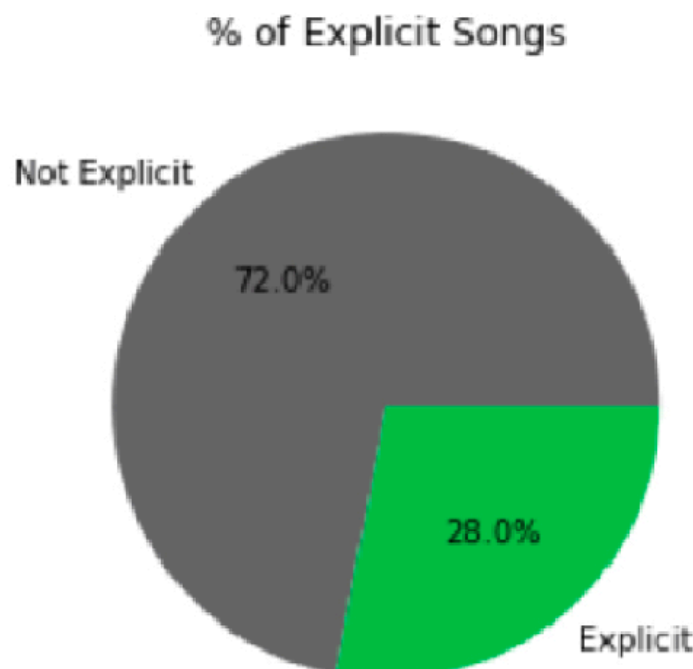

how long are these songs

and finally,

how many songs can be played on the radio 'as is'

(i expected the explicit % to be higher)

thanks for reading
